subject
NXP MIFARE Security Evaluation Product Approval of Gemalto SA Upteq NFC 4.1.1 v2.0 / ARN-2017-005

Dear Mrs Teri,

Brightsight, acting as MIFARE Certification Authority acknowledges, based on the conclusion provided by UL Transaction Security in ERL *Upteq NFC 4.1.1 v2.0, ERL11876785JD5B, 14 Sep 2017* acting as Evaluation Laboratory that the product:

Upteq NFC 4.1.1 v2.0 by Gemalto SA

Containing the applications MIFARE DESFire EV1 and MIFARE for Mobile v2.0 has demonstrated to be resistant against attackers with a high attack potential. This was concluded during the MIFARE Security Evaluation compliant to the NXP MIFARE Security Evaluation Scheme.

The product has been assigned Product Registration Number: **PRN-2017-004**.
The corresponding Approval Reference Number is: **ARN-2017-005**

This is a **Child** product of **Parent** product ARN-2017-004.
The certificate, dated 22 May 2017, is valid for three years until 22 May 2020.

With kind regards,

Rob Kemper
MIFARE Security Evaluation Scheme Liaison
